# Baking Papers

**BLEACHED GREASEPROOF**

**UNBLEACHED GREASEPROOF**

**PARCHMENT (SILICONE)**

**Greaseproof paper and parchment paper are best used for baking, cooking and air frying. They are both heat-resistant and non-stick, using these papers as a liner will allow a mess-free kitchen experience.**

**Greaseproof papers are grease-resistant, and are best used to line trays or as food wrappers to absorb oil, and prevent oil from seeping through.**

**Parchment papers have an additional coating of silicone, which allows it to be non-stick and also makes it durable. Furthermore, it is able to withstand heat better.**
